

PTSG company secures position on NHS SBS framework

2 months ago

[Total Environmental Compliance](#) (TEC), part of [Premier Technical Services Group Ltd](#) (PTSG), has been awarded a place on the NHS Shared Business Services (SBS) Construction Consultancy Services Framework.

The NHS SBS Framework is designed to streamline the procurement of construction-related consultancy services for public sector organisations, with a focus on NHS and healthcare settings. It offers access to a wide range of services, including project management, architecture, quantity surveying, building surveying, and environmental consultancy.

Securing a position on this framework highlights TEC's expertise in water safety and compliance, positioning the company to further support NHS and healthcare clients. TEC, alongside PTSG Water Treatment Ltd, will provide specialist services aimed at maintaining the highest standards of water hygiene within critical healthcare environments.

PTSG operates through five distinct divisions – Access & Safety, Electrical Services, Building Access Specialists, Fire Solutions, and Water Treatment – enabling it to deliver comprehensive specialist services to its 30,000 customers nationwide.
