

PTSG company to work with BPHA for another two years

2 months ago

[Total Environmental Compliance](#) (TEC), part of [Premier Technical Services Group Ltd](#) (PTSG), has secured a two-year extension to its contract with BPHA, a leading housing association operating in the Oxford to Cambridge arc.

BPHA manages over 19,000 homes, providing high-quality, energy-efficient, and affordable housing solutions. The association is committed to creating sustainable communities where residents can enjoy safe, comfortable, and affordable living. Since being appointed by BPHA in 2022, TEC has delivered a full programme of water hygiene compliance services, including legionella risk assessments and remedial works across 112 properties.

The extension of this contract is a testament to the strong partnership between TEC and BPHA, underpinned by the efforts of TEC's account managers in maintaining a smooth and efficient service delivery. This has enabled BPHA to meet its key performance indicators, ensuring the continued safety and compliance of its water systems.

PTSG, through TEC, provides a comprehensive range of water hygiene, water treatment, and remedial services across multiple sectors.

These services help clients maintain the highest standards of water safety, offering protection from Legionella and ensuring compliance with all relevant regulations. By focusing on reliability, sustainability, and cost efficiency, PTSG remains a trusted partner for organisations nationwide.
