

PTSG to work with housing association in Manchester

3 months ago

[Premier Technical Services Group Ltd](#) (PTSG) has secured a contract with a Manchester-based housing association to provide a range of specialist fire safety solutions.

The housing association, a not-for-profit organisation responsible for managing over 6,000 properties in South Manchester, has been seeking a trusted partner for comprehensive fire safety services. PTSG has now been appointed to deliver critical fire safety measures, including fire door replacements, repairs, and inspections, alongside compartmentation works, loft inspections, and fire compartmentation surveys.

PTSG's work will support the association's commitment to maintaining high safety standards across its portfolio. The company's expertise in passive fire protection, combined with its mechanical and specialist fire systems, ensures robust and compliant fire safety measures.

This latest contract underscores PTSG's position as a trusted provider of safety and compliance services nationwide.
