

PTSG company awarded national contract with The King's Trust

2 months ago

Total Environmental Compliance (TEC), part of [Premier Technical Services Group Ltd](#) (PTSG), has secured a new contract with The King's Trust, the UK's leading youth charity.

Founded in 1976 by His Majesty King Charles III, The King's Trust supports young people aged 11 to 30 who are unemployed, facing exclusion from school, or dealing with mental health challenges. In the last year alone, the charity helped over 70,000 young people access work, education, or training opportunities.

Under the new contract, TEC's specialists will deliver monthly water hygiene checks and sampling services across nine key sites in the UK, located in Belfast, Birmingham, London, Manchester, Leeds, Dundee, Glasgow, Cardiff and Newcastle.

TEC's services are designed to ensure each property remains fully compliant with water hygiene regulations, helping to maintain safe and healthy environments for both staff and the young people the charity supports.

The partnership reflects PTSG's ongoing commitment to supporting vital community organisations through the delivery of specialist compliance services.
