

“The FM Comedy Night” in support of Trailblazers Mentoring

7 months ago

[Bridge Recruitment](#) has confirmed it will host the 2025 FM Comedy Night, a stand-out event in the Facilities Management calendar, to raise funds for Trailblazers Mentoring. The one-night showcase takes place on Wednesday, 12 November 2025, at the legendary Comedy Store, Leicester Square.

By uniting FM leaders, clients and suppliers for an evening of top-flight stand-up, the event will generate vital support for Trailblazers Mentoring, the award-winning charity that matches young offenders with industry mentors to cut reoffending and build careers.

“Facilities Management thrives on collaboration, and so does Trailblazers’ life-changing work,” said Bridge Recruitment’s Managing Director, Michelle Brightly. “Hosting The FM Comedy Night allows us to celebrate our sector while directly funding mentoring that opens doors for young people.”

Trailblazers Mentoring CEO Julia Alexander added, “This partnership will let us expand our support structure, helping to deliver better futures where they’re needed most. We’re thrilled Bridge Recruitment is taking the lead and supporting us on this journey.”
