

## PTSG is the cream of the crop for dairy products provider

1 day ago

[Premier Technical Services Group Ltd](#) (PTSG) has been contracted to deliver multiple specialist electrical services to Saputo Dairy.

Saputo Dairy UK, the trading name of Dairy Crest Limited, is a British dairy products company. It was created in 2019 when the Canadian company Saputo Inc bought Dairy Crest. Dairy Crest itself was created in 1981 as a spin-off of the Milk Marketing Board. Its brands include Saputo Dairy UK, Cathedral City Cheddar Cheese, Country Life Butter, Utterly Butterly, Vitalite and Clover.

In this contract, engineers from Guardian, part of PTSG Electrical Services Ltd, will deliver fixed wire testing, portable appliance testing, emergency lights testing, Lightning Protection testing and RCD (residual current device) testing over a three-year programme.

As an integral part of PTSG, Guardian offers legislative and technical support for Duty Holders to ensure that their legal requirement to comply with the law is continually maintained. Its engineers deliver fixed wiring inspection and testing programmes, nationwide, for many blue-chip companies and public sector organisations.
