

Registration is OPEN for Smart Buildings Show 2025

10 months ago

Visitor registration is now open for [Smart Buildings Show 2025](#) and it looks set to be the biggest show to date.

Taking place at ExCeL London on 15-16 October 2025, Smart Buildings Show is the UK's only dedicated commercial smart buildings conference and exhibition. With over 3,500 attendees, the Show continues to grow year-on-year making it the must-attend event for anyone in the smart buildings industry.

This year's Show will see over 100 exhibitors gathered together under one roof, showcasing the hottest new trends in the industry. What's more, the dedicated conference programme will feature over 120 speakers in four separate theatres, which include Energy Management; IT & Digital Infrastructure; Management and PropTech, and Controls and Networks.

Ian Garmeson, Event Director, said: "The value of smart buildings is being recognised more and more in the race toward Net Zero and this is reflected in the growing popularity of Smart Buildings Show. Don't miss your chance to get ahead of the game, join us in October at the industry's must-attend event!"
