

Bidvest Noonan Secures Major All-Island Security Contract

6 months ago

Building on its strong track record in the transport sector, [Bidvest Noonan](#) has been awarded the combined security services contract for Iarnród Éireann, Bus Éireann, and Bus Átha Cliath – Dublin Bus nationwide. This is one of the largest security contracts of its kind in the country.

This significant win highlights Bidvest Noonan's leadership in providing security solutions for critical national infrastructure and reinforces its position as a trusted partner for large-scale contracts. The agreement brings together three of Ireland's most important transport providers under a single contract, ensuring consistent, high-quality services across the national transport network.

As part of this new partnership, more than 300 people will be joining Bidvest Noonan, further strengthening the company's team and capacity to deliver excellence at scale.

Under this partnership, Bidvest Noonan will deliver a wide range of services, including frontline and on-board security, mobile patrols, key-holding, opening and locking stations, and securing the Rosslare Europort, one of the largest and busiest ports in Ireland.

Innovation, quality, and safety will be at the core of Bidvest Noonan's service delivery. The company will combine its industry expertise, highly trained teams, and dedicated support structures to safeguard passengers, staff, and assets across Ireland.

David Barker, Chief Growth Officer at Bidvest Noonan, said: "We are delighted to have been awarded this landmark contract. This partnership reflects the confidence placed in our team to protect Ireland's vital transport infrastructure. We are proud to bring our experience, scale, and innovative solutions to support Iarnród Éireann, Bus Éireann, and Bus Átha Cliath – Dublin Bus in delivering safe, secure environments for

millions of passengers and staff across the country.”

Alan Durnan, Managing Director at Bidvest Noonan, added: “Securing this contract is a huge endorsement of our people, national infrastructure and our solution design capabilities. The scale of this partnership is unique, covering the entire country and uniting multiple public transport modes under a single security partnership. We are committed to providing a first-class service, with the flexibility, expertise, and technology needed to meet the requirements of Iarnród Éireann, Bus Éireann, and Bus Átha Cliath – Dublin Bus today and into the future.”

This contract win is one of many recent successes for Bidvest Noonan in the transport sector, further cementing its reputation as a market leader and trusted partner for major public and private organisations across the UK and Ireland.
