

PTSG Secures Lightning Protection Contract for Luxury Wentworth Estate

8 months ago

[Premier Technical Services Group Ltd](#) (PTSG) has been appointed to deliver specialist electrical services for *Tangle Copse*, a prestigious new country estate in Wentworth, South-West London.

This exceptional development offers up to 22,000 square feet of accommodation set within almost two acres of mature, private landscaped grounds. Designed with Georgian-inspired symmetry, the property combines traditional elegance with modern luxury.

The project is being led by Redridge, a leading property developer in the South of England, renowned for its bespoke, high-end residential builds.

As part of the contract, engineers from PTSG Electrical Services Ltd will install a new lightning protection system to safeguard the estate's structure and occupants during electrical storms.

PTSG is the UK's leading provider of lightning and surge protection services, offering a complete solution that includes design, installation, inspection, testing, maintenance and upgrades.
