

Burg-Wächter's sapphire padlock with tough plastic jacket delivers robust security every time

7 months ago

Tough, reliable and high quality, the strong and weather-resistant Sapphire 111/121 CS padlock from leading security specialist, [Burg-Wächter](#), delivers robust security for a host of different applications every time.

Super strong, jacketed protection

Ideal for protecting items around the home and garden, including sheds, garages and their contents such as outdoor furniture and expensive equipment, the Sapphire 111/121 CS padlock has been designed and manufactured to offer convenience and a high level of attack resistance.

Featuring a strong, laminated steel body and a chrome-plated, hardened steel shackle which gives enhanced security against bolt cutters, the Sapphire is further cloaked in a durable ABS outer jacket, that helps prevent scratches and gives added protection against the elements.

A range with options to suit

The shackle is double-bolted from 40mm models upwards, while the 121 C models feature a concealed shackle for additional protection. The 40mm padlock has the option of a long shackle and is available with a standard shackle in keyed alike multipack, making it handy for properties where multiple users need access to the lock.

Exclusive 3 for 2 offer available now!

Now available on a 40mm keyed alike 3 for 2 offer, the Sapphire padlock offers convenient, professional and long lasting protection when it comes to securing valuables. Don't miss out on this great deal!
