

Guardian, part of PTSG, marks 15 years of electrical compliance services

4 months ago

[Guardian Electrical Compliance Ltd](#) has celebrated 15 years of delivering electrical compliance services to clients across a wide range of sectors.

The company is recognised as one of the UK's leading providers of inspection and testing of fixed installations. It supports Duty Holders with both legislative and technical expertise to ensure full compliance with electrical safety law.

Guardian's proprietary reporting platform, TraQit®, is the only fully interactive web-based system of its kind in the industry. Developed over several years, it provides clients with real-time, consolidated and fully version-controlled electrical records.

Since joining [Premier Technical Services Group Ltd](#) (PTSG) in 2018, Guardian has become an integral part of PTSG Electrical Services Ltd. Headquartered in Sheffield, with additional offices in Milton Keynes and Glasgow, the business is able to deploy its specialists nationwide.

The Guardian team marked the company's 15th anniversary with a celebration at Oulton Hall Hotel, spa and golf resort in Leeds.
