

Peartree Cleaning Services donates £5k to Essex Charity

8 months ago

A safe place with no judgement

SNAP fosters a welcoming environment for families to be heard and supported

[Peartree Cleaning Services](#), a leading provider of cleaning services in the UK, has made its annual donation of £5k to SNAP (Special Needs And Parents), an Essex based charity dedicated to supporting families with children and young people who have additional needs or disabilities.

This ongoing commitment reflects Peartree's belief in giving back to the communities it serves. SNAP provides vital services including advice, counselling, activities, and therapy sessions, ensuring parents and children receive the guidance and support they need.

Through donations like this SNAP can provide children and young people with a non-judgemental, welcoming environment that helps them to build confidence and make new friends; and parents and carers with a variety of vital services and support.

Brad Reames, Owner and Managing Director of Peartree Cleaning Services, added: "At Peartree Cleaning Services, we understand the importance of community support and are committed to helping charities like SNAP continue their incredible work. We're proud to play a small part in supporting families and creating opportunities for children with additional needs to thrive."

Peartree Cleaning Services has been providing professional cleaning solutions for almost forty years, working across a wide range of sectors while maintaining a strong focus on sustainability, innovation, and social responsibility. Supporting charities such as SNAP is part of the company's broader mission to build stronger, more inclusive communities, demonstrating that ethical and responsible practices can drive meaningful change.
