

Jaguar Appointed by MAPP to Deliver M&E Services at 45 Gresham Street

2 months ago

[Jaguar](#) has been awarded the Mechanical and Electrical (M&E) maintenance contract for 45 Gresham Street by MAPP.

The prestigious property, located moments from St Paul's Cathedral, offers 165,000 sq ft of Grade A office and retail accommodation across ten floors. This addition reinforces Jaguar's continued presence across London's most prominent commercial buildings.

The mobilisation phase is already underway, with Jaguar's technical, mobilisation, and compliance teams collaborating closely with the customer to ensure a seamless transition and continuity of service from day one.

Roger Starling, Business Unit Head, commented: "Securing the M&E contract at 45 Gresham Street is a great achievement for the Jaguar team. It's a testament to our people's technical expertise and consistent focus on service quality. Jaguar looks forward to continuing its relationship with MAPP and delivering first-class engineering support in one of London's most prestigious locations."
