

## [FASET Members Raise £1,400 for No Falls Foundation and Prostate Cancer UK](#)

6 months ago

[FASET \(Fall Arrest Safety Equipment Training\)](#), the not-for-profit organisation and industry body dedicated to height safety, is proud to announce that £1,400 was raised for charity during its 2025 Annual General Meeting (AGM) and Awards Evening.

On Thursday 20 November 2025, more than 100 colleagues from across the association's member organisations gathered at Worsley Park Country Club, near Manchester, for FASET's tenth anniversary AGM. The event brought together leaders and specialists from across the temporary safety systems sector. As part of the evening's programme, FASET held its annual charity collection – an important tradition that reflects the organisation's longstanding commitment to community support, safety and wellbeing.

This year's charity collection totalled £1,400, which will be split equally between the No Falls Foundation and Prostate Cancer UK.

The No Falls Foundation is the UK's only charity dedicated exclusively to preventing falls from height and supporting those affected by the life-changing consequences of a fall. Its work directly aligns with FASET's mission to improve safety standards and protect lives across the industry.

Prostate Cancer UK is a leading charity working to save and improve the lives of men affected by prostate cancer through research, support and awareness. With prostate cancer now the most commonly diagnosed cancer in UK men, the charity's mission remains more vital than ever.

FASET Managing Director, Tony Seddon, said: "We are incredibly proud of our members for their generosity. Both charities play an essential role in saving lives and supporting families and it is important to us as an industry that we give back wherever we can. Thank you to everyone who contributed on the

night.”

The charity collection is one of many initiatives FASET undertakes to promote safety, wellbeing and continuous improvement across the working-at-height sector. FASET extends its thanks to its members and partners for helping make this year’s event and fundraising efforts such a success.
