

# DMA Maintenance Announces the Promotion of Wendy Bennett to Managing Director

4 months ago

With a proud history spanning 223 years, [DMA Maintenance](#) continues to evolve to meet the changing needs of its customers. Wendy's appointment reflects both the strength of the company's heritage and its ongoing development as a modern, forward-looking, and operationally strong business.

Having been with DMA for five years, Wendy most recently served as Chief Operating Officer, playing a key role in strengthening operational performance, supporting sustainable growth, and embedding DMA's multi-award-winning maintenance management platform, BiO®.

Her promotion demonstrates a clear focus on continuity and proven leadership. Wendy brings deep operational knowledge, a strong understanding of customer and service partner expectations, and a people-focused approach that supports consistent, high-quality service delivery.

As Managing Director, Wendy will work closely with the Board and her Senior Management Team to build on DMA's long-standing foundations, while continuing to develop the business to support future growth and evolving customer requirements.

Commenting on her appointment, Wendy said: "DMA's history is something we're incredibly proud of, but it's our ability to adapt and keep improving that defines us today. Having spent the last five years with the business, I'm excited to lead the next phase of our development by continuing to invest in our people, our capabilities, and the service we deliver to our customers
