

ECS Praised by Bullimores for Customer Service and Operational Performance

4 months ago

ECS Ltd, part of [Premier Technical Services Group \(PTSG\)](#), has received positive client feedback from Bullimores following the successful delivery of recent project work.

Bullimores is an established property maintenance and construction business working across residential, commercial and industrial sectors, with a strong reputation for reliable project delivery and quality workmanship.

In its testimonial, Bullimores highlighted ECS for providing “excellent customer service” and an “efficient service”, recognising the team’s responsiveness, professionalism and ability to meet client expectations.

The feedback underlines ECS’s ongoing focus on delivering high-quality, compliant and dependable technical services, supported by PTSG’s wider specialist capabilities and commitment to customer service.

ECS said it welcomed the positive feedback and looks forward to continuing its working relationship with Bullimores, reinforcing its commitment to maintaining high standards across all projects and client partnerships.
