

## WPS Awarded Landmark Space Hard FM Contract

2 months ago

WPS Facilities Management has been awarded a three-year hard FM contract with Landmark Space to maintain its portfolio of high-end offices, expanding one of WPS' biggest sectors.

The multi-million-pound contract with options to extend for up to two further years, covers statutory compliance, regulatory planned preventative maintenance and reactive hard FM services across Landmark Space' national portfolio of flexible workspaces. It will see WPS bring established experience in supporting office workplace in a 450+ property portfolio, to deliver compliant, high-performing buildings that offer high-quality office, coworking and meeting spaces.

Jack Prady, Managing Director for WPS Facilities Management, said: "We know that the quality of workplaces is core to our day-to-day experience and productivity, so we are delighted to partner with Landmark Space who know that every working day matters. "Via a digitalised solution, we provide everything needed to ensure assets and buildings are optimised. We will focus on collaboration, compliance and the occupier experience to add value to both the assets and the people who rely on them every day."

Rob Kirk, Facilities Director for Landmark Space, said: "Maintaining our spaces to the high standard that our clients expect and deserve is critical to our promise to deliver engaging environments, which help people achieve their full potential in the workplace. We are pleased to partner with WPS to support us with our ongoing hard FM requirements - because every working day matters." Service delivery will be supported by a dedicated team, including account management, technical services leadership, contract administration, and a foot mobile engineering team, ensuring strong local presence and responsive support.
