PTSG Appoints Tony Lloyd as CFO to Support Next Phase of Growth

2 hours ago

Premier Technical Services Group Ltd (PTSG) has appointed Tony Lloyd as Chief Financial Officer, adding further international leadership experience to its executive team as the specialist building compliance group continues its ambitious growth strategy.

Tony joins PTSG with more than three decades of senior financial leadership experience spanning the facilities management, business services, construction and manufacturing sectors. Throughout his career, he has helped high-growth organisations scale internationally, lead complex business transformation programmes and deliver strategic acquisitions.

Most recently, he served as Chief Financial Officer of CPL Aromas, where he supported the continued expansion of the global fragrance manufacturer across operations in 19 countries. Before that, he was CFO of Transguard Group in Dubai, helping steer one of the Middle East's largest business support services providers through a sustained period of commercial growth.

His appointment comes as PTSG continues to expand both organically and through acquisition, strengthening its position as one of the UK's largest providers of specialist building compliance services.

Greg Ward, Chief Executive Officer of PTSG, said the appointment would provide further financial leadership as the Group entered its next stage of development ."Tony combines exceptional commercial acumen with extensive international experience of supporting fast-growing businesses. He understands the importance of combining financial discipline with strategic ambition and will play a key role as we continue to invest in our people, broaden our specialist capabilities and build on our strong growth trajectory. We are delighted to welcome him to PTSG."

Commenting on his appointment, Tony said: “PTSG has built an outstanding reputation and a business with significant momentum. I’m excited to be joining the Group at such an important stage in its journey and I look forward to working with colleagues across the organisation to help deliver the next chapter of its growth.”

The appointment follows a period of continued investment by PTSG in both capability and leadership as the business expands its specialist compliance offering across the UK and internationally.

Greg also paid tribute to outgoing Chief Financial Officer John Irvine, thanking him for the significant contribution he has made over the past three years in modernising the Group’s finance function and supporting the business through an important phase of its development.

Tony officially joined PTSG on 30 July 2026.
