

VIVID Appoints Amiri Homes as Principal Contractor for 73-home Chapel Hill Development in Basingstoke

3 hours ago

Amiri Homes has been appointed as the Principal Contractor for housing association [VIVID's](#) new residential development at Chapel Hill, Basingstoke.

The scheme will deliver 73 high-quality new homes, together with associated infrastructure, hard landscaping and soft landscaping works, creating a vibrant new community, in an excellent location close to Basingstoke town centre.

Working in partnership with VIVID, the development will transform the former Lakeham Healthcare site into an attractive neighbourhood of contemporary apartments and maisonettes, designed to meet the needs of a wide range of residents while helping to address the growing demand for affordable housing across the region.

The homes have been carefully designed to provide high-quality, sustainable homes, incorporating energy-efficient construction methods, renewable technologies and quality materials.

Beyond delivering much-needed homes, the development will also enhance the local environment through thoughtfully designed public spaces and comprehensive hard and soft landscaping, creating a welcoming place for residents and the wider community.

This appointment marks another significant milestone for Amiri Homes as they continue to deliver high-quality residential developments across the South, building strong partnerships that create lasting value.

Adrian Cator, Director of Amiri Homes, said: "We are pleased to have been appointed by VIVID to deliver

this important new development at Chapel Hill, Basingstoke. At Amiri Homes, we are passionate about creating exceptional homes and sustainable communities for people to enjoy, and this scheme underlines that commitment, working with an important regional partner”.

Mike Shepherd, Chief Investment Officer, VIVID, said: “Providing more affordable homes across the region remains a key focus for us, and we’re pleased to be working with Amiri Homes to deliver these 73 new homes in Basingstoke. This development will provide much-needed affordable housing and help meet the needs of a local community.”
